They have got a balloonist in New York who recently went so bigh that when he wanted to come down the hip. If these movements are made with precision and celerity, the sheep is off its feet before it is allowed a chance to struggle.—Live-

The son of a clergyman was de-

sons are possessed of a secret which is the secret of the devil, and that they perform a devil's mass on the perfectly new, latest introduced by six candles; that every one after having spit on the cracks tramples it under foot, the diabolical ceremonial terminating by

The granges in the vicinity of Yellville, Marion county, Ark., are talking of building a cotton factory at that place. The male turkey does not attai

The male turkey does not attain its greatest vigor until the third or fourth year; therefore, a cock two or three years old is better than a year old for breeding. But it is well to change the male every year, which is believed to produce healthier and stronger chicks; and hens two years old and upward are also best for breeding.

young man of disselute habits, and repent it as long as she lived. I have seen the extravagance and folly of children bring their parents to poverty and want, and themselves

I have seen a prudent and indus-trious wife retrieve the fortunes of her family when her husband palled at the other end of the rope. I have seen a young man who de-spised the counsel of the wise and the advice of the good, and be career was in poverty and wretched

The Warrensburg News says: Speaking of Prof. Riley's experiment in cooking the G. H.'s: ment in cooking the G. H. s: "We were helped to soup which plainly showed its locust origin, and tasted like chicken soup—and it was good; ther seasoning was added, we could distinguish a delicate mushroom flavor—and it was better. Then came batter-cakes, through which locusts were well mixed. The soul birth in the darkest days in the hiswife
had banished silly prejudice and
sharpened our appetite for this next
lesson, and batter cakes quickly disappeared also. Baked locusts were
then tried (plain hoppers, without
grease or condiment), and either
the triumph of those principles over was pronounced an excellent dish The meal was closed with dessert a la John the Baptist—baked locusts thing, we can testify that that die tinguished scripture character must have thrived on his rude diet in the wilderness of Judea."

There is a right way to do every There is a right way to do everything. Clumsy catching and handling is always injurious to sheep, and nard on the party doing the work. It hurts a sheep to be caught or lifted by the wool, and such a thing should never be done where it can be avoided. A portion of the flock to be caught should be driven into a man speaking people in the United to be caught should be driven into a States, and they have three bondred pen until it is pretty well filled, newspapers and periodicals in their though not crowded. The party doing the catching should proce quietly, frightening the sheep as little as possible, and when near enough to the animal be desires to catch, should grasp its hind leg above the hock, when, if a pretty firm grip is held, very little kicking can ensue. Then he should pass the other hand in front of the breast which gives him every advantage over the animal. If it is deared to distance, he should let go the hind circulates in every neighb throughout Lafayette, and is gener

the band under the brinket, when,

CAUCASIAN

The son of a clergyman was delivering a college valedictory, whon, in pulling out his handkerchief, he pulled out a pack of cards. 'Hullow,' he exclaimed, 'I've got on my father's coat!'

A singer, applying for an engagement, wrote to a manager: 'I am a good musishue, and pla musick at fust sight. 'Well, said the manager, 'she may play by note, but abe certainly spelle by ear.'

As a political speaker was holding forth in Ohio, the other day, a man in the crowd yelled out. 'You're a list.' The politician looked at him long and earthingly, and then asked: 'Where did you get acquainted with mell.

Millions of oysten have died in their beds since the fining of winter, says a fining of winte

Chokee, you bet. and they dropped him.

Two 'brethren,' not distinguished for extraordinary piety, who pay nothing, and who doe't attend the prayer meeting, have for the last even years been controlling the congregation of the Lord! That congregation is now in the throes of a spiritual death.

That terrible boy has been at it again. Last night he was exhibiting the proficiency he had attained in the conjugation. Beginning with rise, he went off like a centennial rocket: 'Rise, rose, risen; prize, prose, prison; dies, dose, dizen; lice, flows, flizes; bies, hose, his—The boy fell to the floor, mangled and bleeding, beneath a furious blow on the head with a Bullion's grammar in the hands of his outraged father.

One of the late literary censations in France is the publication of a pamphlet entitled The Freemanons. What are They?' which is scattered broadcast by tens of thousands all over that excitable country. It is instead by the library of the military hospital at Toulouse. The author solemnly delares that the Freemanons are possessed of a secret which is the secret of the devil, and that they perform a devil's mass on the secret of the devil, and that they perform a devil's mass on the proced, and in potential screen and a most valuable present for some needy family. Try it, friends. Don't Wait! Begin the work at once send us word that you have undertaken the proced, and in perfect order.

cach one ascending the altar and atriking the boly sacrament with a poignard. The pamphlet also asserts that there are female Freemacons of bad character.

An iowreditor was sued to libel by a few was store had called a "thiering establishment." He produced the original manuscript on the trial showing that they have the was pulling away with all his might, "when I get rich, if shall hire a loader to amoke in my face."

The produced the original manuscript on the trial showing that he worte "thriting establishment." and the jury gave him a werdet of acquittal.
